

**REMARKS**

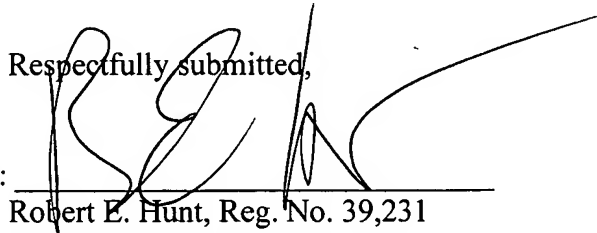

A Notice of Allowance was mailed in the above-identified application on April 29, 2004. This amendment is filed pursuant to 37 C.F.R. §1.312 after allowance and before payment of the issue fee.

Applicants have amended the specification, as explained above, to correct typographical errors discovered during preparation of the formal drawings. Specifically, reference numeral "115" has been added to reference "binding floor" on page 8, line 2, to be consistent with the numerous references to "floor 115" elsewhere in the specification – for example, page 11, at lines 5, 7, 10 and 29. Likewise, moving the "115" reference numeral on page 8, line 17 to reference "floor" vice "rearward edge" is also done for consistency with the rest of the specification. The foregoing amendments do not introduce new matter.

Accordingly, Applicants respectfully request entry of these amendments by the Examiner at the earliest possible date. Applicants respectfully request that the Examiner contact the undersigned by telephone to advance the prosecution in any respect. If there is a fee occasioned by this response, please charge any deficiency to Deposit Account No. 23/2825.

Respectfully submitted,
